

TRANSFER AGREEMENT

**4-Year Institution:
Year:**

Bachelor's Degree Program:

Academic

Nevada State College	BA – Visual Media (3+1 option)	2020-2021
-----------------------------	---------------------------------------	------------------

2-Year Transfer Institution:

Associate's Degree Program:

Emphasis:

Truckee Meadows Community College	Associate of Arts	Graphic Arts and Media Technology
--	--------------------------	--

NOTE: This transfer agreement has been created specifically for the programs listed above and only applies to students that complete the associate's degree listed. If the associate's degree is not earned, or a new program is selected, the transfer and articulation of listed courses, as well as fulfilled degree requirements, could be impacted.

Students should complete the Associate of arts in Graphic Arts and Media Technology at TMCC, the Graphic Arts & Media Technology Advanced Certificate (Graphic Design Track, Motion Graphics Track, or Web/UI Development Track), and the coordinated program of study for the Bachelor of Arts in Visual Media (3+1 option) at NSC as indicated in this transfer guide. Any course substitutions should be made with the guidance of an advisor or counselor to ensure that all requirements are met.

Students must complete the Graphic Arts & Media Technology Advanced Certificate before they are formally admitted to the BA in Visual Media (3+1 option)

2. [Transfer Rights and Responsibilities](#)

3. Only courses with a grade of D or higher will be accepted for transfer to NSC. However, only courses with a grade of C- or higher (equivalent to 1.7 grade points for each credit earned) can carry credit towards major requirements. A course completed with a grade of less than C-, if counted toward graduation at the community college, may be used to satisfy NSC graduation requirements. However, the course will have to be repeated if the NSC major specifies a higher grade for all students. If a TMCC course has more credits than the NSC equivalent course, the additional credits will be included in the program total as general transfer credit. A minimum of 30 upper division credit hours must be completed in residence at Nevada State College.

4. Students may elect to graduate under the course catalog graduation requirements under any of the following options, provided that the course catalog at the time of graduation is not more than 10 years old:

- a. The course catalog of the year of enrollment in a baccalaureate level course/program at a NSHE community college (a valid transfer agreement may be required).
- b. The course catalog of the year of transfer into a baccalaureate level program at the universities, state college, or community colleges that offer select baccalaureate degrees.
- c. The course catalog of the year of graduation from a NSHE institution.

Bachelor's Required General Education/Core Courses: General education/core courses are to be completed during the associate's program. Students who complete their AA in Graphic Arts and Media Technology at TMCC have fulfilled their Core Curriculum requirements for the BA in Visual Media.

Year-to-Year Course Outline Graphic Design Track
