## Placement or Credit by Exam

The department may approve and facilitate placement exam or credit by exam. A placement exam advances qualified students to classes appropriate to skill level, but does not grant credit for waived classes. Students placing out of classes will be required to complete 18 total credits, selecting from the following list to make up the balance of credits not filled by the language courses or elective listed above: ETS 375 US Latino/a-Chicano/a Experience; HIST 320 Hispanic Culture in the US; HIST 444 Latinos in the American West; HIST 470 History of Mexico. Students who receive credit by exam will not need to take additional classes.

This sample degree checklist is a planning tool intended for the current academic year. Each student's situation is unique and your degree may differ from the sample presented here. It is recommended that current NS students review the Academic Requirements report in their Student Center to monitor progress toward their degree and graduation requirements. It is also strongly recommended that you meet regularly with your Academic Advisor to verify degree progression.
