PRAXIS ASSESSMENT Acknowledgment Form

I, _____, acknowledge that the goal of the Nevada State College Teacher Education program is to prepare me for full licensure at the completion of my Education program. Full licensure requires that I have an Education degree or complete a post-baccalaureate Teacher Preparation program, and I complete all PRAXIS exams mandated by the Nevada Department of Education. I understand that if I do not submit passing scores in all PRAXIS exams to NDE by the completion of my program, I will not be eligible for a standard teaching license. I understand that, without passing scores on all exams, I will be eligible for a provisional NDE license, and I must submit passing PRAXIS scores to NDE within two years of the issuance of the provisional license to remain a licensed teacher in the state of Nevada.
